

This is the screen parents see when they sign into Family Access.

The screenshot shows the Skyward Family Access interface in a Windows Internet Explorer browser. The page title is "Skyward Family Access - Windows Internet Explorer". The URL is "https://skyward.iscorp.com/scripts/wsisa.dll/Service=wsedu-jacksonville/sfwmnu01.w". The page features a navigation bar with "Student:" and "School:" fields, and buttons for "Account Info", "Print", and "Logout". A sidebar on the left contains a "General Information" menu with links to Calendar, Student Information, Gradebook, Message Center, Attendance, Schedule, Food Service, Academic History, E-mail Notifications, and Login History. The main content area displays a calendar for January 2012, with days of the week as column headers and dates 1 through 31 as rows. Days 2 and 16 are marked "No School". Below the calendar are four checkboxes: "Show Absences/Tardies" (checked), "Show MC-Messages" (checked), "Show Gradebook Assignments (Grade Earned)" (checked), and "Show ST-Student Tests" (checked). The browser status bar at the bottom indicates "Internet | Protected Mode: On" and a zoom level of 100%.

Parents wanting to receive low-lunch-balance emails would need to:

Click the E-mail Notifications in the list of options (left side of the screen)

Click Change My Notifications (right side of the screen)

Check the box in front of Receive Notifications when Food Service Balance is under \$5.00

Click Save

The screenshot shows the "My E-mail Notifications" settings page in the Skyward Family Access interface. The page title is "Skyward Family Access - Windows Internet Explorer".
