Teacher's Report-Audra Fanning

- Festival of Trees ready to be assembled. Using safari paper of kids engaged in learning to decorate. Susan Spears knows to pick up the stuff.
- Teachers have their emergency bags. Wal-mart donated \$40 towards the bags.
- 2nd and 3rd grade programs are going on next Monday.

Principal's Report-David Miller

- Hoops are up in the gym!!!!
- Support for the turkey drive...PTO will support buying turkeys for baskets
- David is getting information about AR program. Renaissance is coming Monday to give more information about online AR. Cost would be around \$1300 per year.
- Carnival- need to upgrade games. David has looked online. Audra and David have looked and talked about having a rotation of games to change out from year to year. Michelle Douglas looked into having a Car Seat check.

PAC Report-Jennifer Crews

- Last meeting Stephanie Davidsmeyer Alexander talked about PBIS. The program is data driven and the structure is there yet the children have control over what the consequences and levels that they have. South is working on the PBIS framework.
- Facilities Vision- Sales Tax increase- if this tax had been put into place, a large sum into the millions of dollars could have already been raised and this can only be used for facilities and buildings. Cannot be used for salaries, textbooks, etc. This sales tax is only put onto luxury items.
- Kristen Becker-Hoffman, Jacksonville Promise, she states that it is not funded and it will not be funded anytime too soon. It is still being worked on and is not a moot point but it needs to be funded

Old Business- None

New Business-None

A motion was made to adjourn by Lori Smith, seconded by Shannon Folker. All were in favor. Meeting was adjourned at 7:30 p.m.

Respectfully submitted,
