Some **IMPORTANT** codes that you will need when registering:

High School Code- 142755 (This ensures that your score is sent to Manteno High School)

Test Center Code- 208000 (Manteno High School Test Center)

DUE TO SPACE ISSUES, YOU MAY END UP TESTING AT ANOTHER LOCATION LIKE KANKAKEE COMMUNITY COLLEGE (010530) or BRADLEY-BOURBONNAIS HIGH SCHOOL (173580) so be prepared to have transportation. When you register online, you will be able to access your ticket through your account. The sooner you register the better chance you have of taking it at Manteno High School if MHS is a test center for the date you selected. KCC and Kankakee Bishop McNamara are usually open test centers for those dates. You will be able to print your admission ticket immediately after registering online.

ACT is implementing new test security requirements, including the provision of a photo with the student's test registration. Thus, students are now required to upload a photo (head shot) to ACT during the registration process. Instructions are given during the registration process. If a student fails to do this by the photo upload deadline, their registration will be cancelled and they will not be allowed to test. ACT will strictly enforce this.
