

Interested in Student Council?

Overview: Student Council meets after school on **Mondays until 4:00**. During meetings, class representatives plan spirit days and service projects. Each month, a 4 of the reps will be involved in filming Student Council announcements to be shared with the MIS community. To see last year's videos, you can go to bit.ly/MIS1819 on the internet.

If elected to be a class representative, there will be an estimated \$10 fee for a t-shirt.

Some service projects that take place outside of school include:

- Fallen Hero 5K - September 28, hand out water to 5K runners.
- Santa's Secret Workshop - December 7 - wrap gifts

If you are interested in becoming a class representative, you will need to be elected by your classmates. You can hang up to 2 campaign posters at MIS the week of September 2nd. You'll want to prepare a speech to share with your class on Thursday, September 5. Results will be shared on Friday. The first meeting will be Monday, September 9th.

If you have any questions, ask your teacher or Ms. Horsch.
