

JANUARY STUDENTS OF THE MONTH

Middle School Student of the Month
Israel Zamora, 8th grade

This is Israel's first year here at KSD. He was quick to make an impression on students and staff. He picked up ASL at a fast pace, found ways to engage with others, and joined several school activities, including the middle school basketball team and the Middle School Student Body Council. Israel is respectful to everyone; he makes sure to include others and treat people as equals. He loves to tease and loves to show off his artistic skills. We certainly enjoy having Israel here at KSD.

High School Student of the Month
Alina Symansky, 10th grade

Alina is a conscientious student. She puts 100% effort into everything that she does, and she strives to meet every expectation. Alina sets goals for herself, commits to her goals, and achieves them. She made the Superintendent's Honor Roll during 2nd quarter, with a GPA of 4.0. Alina is guaranteed to have a book in her hand or her bag, and she is always willing to share her latest read with others. Alina is also a great help in the library. She works on entering new books into the system, on decorating bulletin boards, and on checking in and checking out books and materials for other students. Good job, Alina!
