### Annual Parent Involvement Survey

Dear Parents:

Your child was a participant in the Title I Schoolwide program with a focus on reading and math during the 2015-16 school year. This program provided needed materials, Gateway tuition (High School only), transportation from Gateway (High School only), a reading intervention teacher (Elementary only) and professional development for our teachers.

Another part of our Title I program is to improve our **Parent Involvement and Communication** efforts. In order for Bellevue Independent Schools to do this we would like for you to complete this survey. Your feedback and suggestions are appreciated.

If you have any questions about the Title I Program, please contact:

Deneen Zimmerman  
Director of Academic Services
