BJES WILDCAT MONTHLY

VOLUME 1

AUGUST 1, 2018

Principal's Corner

BJES Learning Community,

Welcome to Ben Johnson Elementary School and the 2018-2019 school year. At BJES, we believe that students can truly achieve anything, but one of the first steps to achieving their dreams is believing in themselves. We truly believe in our students and learning community, and we want our students to truly reach for the stars and never settle for less than their very best.

BJES will continue in striving to meet the individual needs of every child, while having high expectations for instruction and maintaining a warm and inviting environment.

The BJES faculty and staff are ready to serve you. If you have any questions, then please feel free to call the school office at 756-3070. It is important for the educational success of your child and this school to maintain open and clear lines of communication.

The 2018-2019 school year will be a year where we truly want to instill in our students to believe they truly can achieve anything, but the first step is to believe in themselves. **BJES Believes in You!**

Sincerely,

Dr. Michael Broadbent,
BJES Principal
