Dear Parents,

The first half of the school year is coming to a close at the end of this month. We are so excited about all that our students have accomplished. I couldn't be more proud of everyone at BCMS!

I would like to congratulate our KYA students. BCMS delegates had two bills signed into KYA law. They received a Delegation of Excellence Award and the Outstanding Statesmanship Award which is the second highest award given. Wow! I would also like to congratulate the 6th grade academic team. BCMS finished 2nd overall and won numerous individual awards. Way to go, Tigers!

As we head into the holiday season, we want to wish all of our families the very best. We hope you all enjoy extra time with family and friends. Have a very Merry Christmas and a Happy New Year!

Sincerely,
Kevin E. Coomes, Principal

Youth Services Center

It is really hard to believe that December is here already. It has been a great first half of the school year! I am sure that 2018 will bring even more success and accomplishments from our remarkable students. The Youth Services Center completed taking Christmas assistance applications on November 21st and will be distributing Christmas angel gifts December 14th -19th. The YSC encourages you to make the very most of this holiday season. Spend any extra time you may have with your family; your time is the best gift that you can give your child.

If you have completed the BCMS volunteer/background check form and still need to complete confidentiality training for this school year- please call to schedule an appointment with Cheryl Armes. 270-756-3062 You will need to complete this brief annual training before you volunteer at BCMS, work in the concession stand, or attend field trips.
