**GREATNESS***"Building Greatness, One Tiger at a Time!"***Quote of the month:**

Dear BCMS Families,

Despite Mother Nature and her attempt at slowing down teaching and learning here at BCMS, our students and leaders have been working hard to reach goals set earlier in the year. We will be revisiting those goals very soon to assess how each individual student is progressing and we will work together to set some new, end of the year goals. Be sure to ask your child about his/her goals.

I want to congratulate BCMS students for being remarkable! Our academic team won 1st place overall at District Governor's Cup. Our quick recall team was 1st, future problem solving was 2nd, and we had numerous individual awards. Good luck to the academic team and the archery team in upcoming regional competition. I am so proud of our remarkable students as they demonstrate their talents, hard work, and

dedication to being champions!

Sincerely,

Kevin E. Coomes  
BCMS Principal**Love. Grow. Serve.****Youth Services Center**

The Youth Services Coordinator and Attendance Clerk are working hard to keep unexcused absences to a minimum. Students need to be at school every day, so they don't fall behind in their classes. When it is necessary for your child to miss school, please always send a doctor note or parent note with him/her on the day that he/she returns to school. You must send a note even if you have called the school. Three parent notes are allowed per semester, and each parent note may cover up to three consecutive days during one week. If you ever have any attendance questions or concerns, don't hesitate to call Cheryl Armes or Rhonda Priest @ 270-756-3060.

If you have completed the BCMS volunteer/background check form and still need to complete confidentiality training for this school year- please call the YSC to schedule an appointment. You will need to complete this annual training before you volunteer at BCMS or chaperone a field trip.

## February
