

# Building a Stronger BC!

The students and leaders at BCMS would like to continue our community unity project to positively impact Breckinridge County charities and build community pride. On the first Wednesday of each month, we would like to promote a “We care” Wednesday. On this day each month, all community members would be asked to wear a special t-shirt. Employees would be allowed a “free dress” day with the t-shirt on that Wednesday. Our vision is that our entire community would be unified and all wearing the same shirt one day each month. Building a Stronger BC shirts are dark heather gray with a white design costing \$10 (add \$2 for 2XL & 3XL).

The following local charities will benefit from our community project:

- The Good Samaritan Center
- Breckinridge County Pocket Full of Hope
- Breckinridge County Animal Shelter
- Breckinridge County Special Olympics
- The Chamber’s Community Park Project
