

Website Accessibility Statement

The Breckinridge County School District (BCSD) recognizes the importance of ensuring our websites are accessible to those with disabilities. We are committed to making our information accessible to visitors with disabilities and are actively working to increase the accessibility and usability of our website and in doing so, adhere to many of the available standards and guidelines. We are currently exploring compliance service opportunities that will scan our website and identify non-compliant elements or documents that need to be addressed.

Portable Document Format

Some documents on the BCSD website are produced in portable document format (PDF). In order to improve viewing these files, please download the latest version of [Adobe Reader](#), which is available for free at the Adobe website. Alternative accessible formats also are provided, where possible, most commonly through a text or an HTML file.

We are continually seeking solutions that will bring all areas of the site up to the same level of overall web accessibility. In the meantime should you experience any difficulty in accessing the BCSD website, please don't hesitate to contact us at 270-756-3000 to provide you with an acceptable accommodation.
