HES Parents and Guardians

Winter weather is certainly making things interesting for us in the Breckinridge County School District. Many of you may have questions about future missed days and whether or not those days will be NTI (Non-Traditional Instructional) days. Please read below for important information concerning NTI.

- School will be in session on **February 18, 2019** (Presidents' Day)
- By going to school on Presidents' Day, our last day of school (as of 12/7/18) will be **Wednesday, May 22, 2019**
- We can miss one more day before utilizing NTI

HES will be sending envelopes home today. Inside this envelope, you will find five stapled packets for five different NTI snow days. **Please put this envelope in a safe place until needed for designated NTI snow days.** All of the information in the packets is also available at the following web address, <http://breckinridgecounty.schoolinsites.com/?DivisionID=24094&DepartmentID=29235>. You will know which NTI snow day packet to work on via Notify Me notifications, Classroom DoJo, district and school Facebook, Twitter, local radio announcements, and school notices. Please stay tuned!

The Breckinridge County School District will communicate whether a missed day is a NTI day or not. For example, the district's **Notify Me** message will state whether the day is NTI or not. Please feel free to contact HES with any questions or concerns that you may have. Please understand that this will be a learning process for us all as we begin to utilize NTI. Together, we will make adjustments and provide an effective learning experience for all of our students.

If you or your child needs help on an NTI snow day, your child's teacher will be available to assist you throughout the day from 8am-3pm via email. You may also contact me via email at t.parker@breck.kyschools.us. Thank you for your support!

Sincerely,

Will T. Parker, Principal
