Principal's Corner

We have had a busy start to the second semester, with Old Man Winter taking it fairly easy on us. We are in Kentucky, though, so you never what is going to happen with the weather. Don't forget we are at the point where we will be using NTI/Snow Packets, with us already using Days 1 and 2. If you have any questions about NTI/Snow Packets please contact us in the school office or your child's teacher.

Extra-curricular activities are back up and running, with District Governor's Cup on February 9th and Archery Regionals on February 19th. With regard to academics, mid-terms for our third grading period were sent home January 31st, with the grading period ending on March 8th. Don't forget that school will now be in session on February 18th.

Read Across America Week will take place the week of February 25th. Special activities will be held all week. You definitely won't want to miss our Book Bingo on Thursday, February 28th, from 4:30-5:30.
