From the desk of: *Mrs. Dexter*

First, I want you to know I am super excited to have our students back in the building. Staff and students have all been working hard. Students have made great strides in catching up, growing and moving forward with their learning. It is exciting to see the learning taking place each day! As we continue to work to keep everyone healthy, please help us remind our students to stay consistent with the wearing of masks, social distancing and hand washing. We also need your help in completing daily wellness checks with your child prior to sending them to school. Please remember to send a water bottle with your student each day. We are excited to be in school and are here to support you in any way we can.

Thank you, Ms. Dexter

Spotlight on Staff

Celebrating a new chapter of her life! Congratulations to Mrs. Brown who is retiring. It is sad that she is leaving Crofton Elementary, but exciting for her and her family best of luck and enjoy that much earned retirement! Check back in and connect with us sometime. You will be missed!

Welcome our new assistant principal Chris Guier! Mr Guier has served as an assistant principal for 6 years in CCPS. We are excited to have you on our team!
