We hope everyone has a wonderful Thanksgiving! Your homeroom teacher will be contacting you on Monday and Tuesday concerning any technology needs. As we begin NTI instruction on November 30, we want to make sure that families have all of the information needed to help our students continue learning this school year. Although we prefer to have our students with us in the classroom, we are excited to begin this journey with you and look forward to seeing your smiling faces virtually through Google Classroom. This sheet will help you navigate your new mode of learning in CCPS and access resources that will help in the process. We are committed to our students and families and are here to support you in any way we can help.
