Message from the Principal

Spring is almost here and this month will close out the third nine weeks and begin the final nine weeks of the school year. This is a very busy season for staff and students with sports, testing and spring activities. We appreciate your help as we work as a team to encourage, motivate, inspire and support our students to be successful.

Focus Habit for March

Habit #1
BE PROACTIVE
You're in charge of yourself

- I have a "can do" attitude and always try my best at everything I do.
- I follow directions and do the right things without being asked, even when nobody is looking.
- I choose my actions, attitudes, and moods and don't blame others for my wrongdoing.

NEWSLETTER CHANGE

Our school newsletter is now sent home monthly. It includes important dates and highlights accomplishments of our students.

Crofton Elementary will host

A NIGHT OF THE STARS

Showcase of Superstar Learners

Family Event on March 26, 2020

The purpose of the event is to allow students to showcase and celebrate their hard work and accomplishments this year.

Classrooms will be open from 5:30-6:30PM.

The BOOK FAIR will be open in the library from 4:00-7:00PM.

We will be serving pizza, cookies and drinks for our families in the cafeteria.

We want to congratulate our students whose art work was chosen to be displayed as part of the
YOUNG MASTERS 2020 Youth Art Month Exhibit!

PBIS Information

Each month our students are recognized for using PRIDE. We begin our morning reciting our schoolwide expectations of being Positive, Respectful, Independent and Determined Everyday. Students earn days by exercising these expectations and earn monthly rewards. Our March reward will take place on April 2nd. Students now help determine the monthly reward through our Synergize Team. Each homeroom has a representative who brings ideas and votes from their class. The Synergize Team will set the March PBIS reward during their meeting on Thursday of this week.

UPCOMING TESTING FOR GRADES 2-6

We will be taking District Assessments soon. Students in grades 2-6 will be completing a District Reading Assessment on March 10 and a District Math Assessment on March 17. Attendance is very important on these dates.

Congratulations to the following students who currently have perfect attendance for the school year!!!
