Please return to : VEX Summer Camp, Gateway Academy, 705 N. Elm St, Hopkinsville, Ky 42240

# **GATEWAY ACADEMY SUMMER CAMPS**

**JULY 16–20, 2018**

Scholars will work with VEX Worlds Team 8349 to learn the basics of designing, building, and programming in the VEX Robotics system. Scholars will work to complete many tasks using search and rescue robots and self driving robots. Scholars will have built two functioning robots by week's end.

Scholars will work in Code.org to learn how to plan, design and code their own game as well as learn how to make their own assets for game use. The scholars will see how coding is integrated in drones and have the opportunity to fly using line of sight and FPV.

**Each camp has a limit of 25 students. Registration Deadline is June 30**

### Sample Agenda

9:00 am	Safety / Introductions
9:30 am	Design Process & Planning
12 noon	Lunch & Activity
12:30 pm	Team Building: Build, Program & Test.
3:00	Dismiss
