Parents,

Happy New Year LIONS!! As we transition to the start of the next semester there are a few items I want to share with you.

The MOST important is students will NOT return until Wednesday, January 6th. Staff will be in the building on Monday and Tuesday preparing for the return on in person classes.

1. Students MUST check in each day. Parents can sign in the Infinite Campus system and check their child in or a simple [HERE](#) to the teacher on Class Dojo. If these methods are not completed, students WILL be marked absent.
2. Students who did not have an opportunity to complete all their work will need to work in them Monday and Tuesday. Students will have the opportunity Wednesday-Friday when they return to continue completing missing assignments. If students do not get these assignments completed they WILL receive an "M" in the grade book. It is our goal this does NOT happen as we are providing multiple opportunities for assignments to be completed.
3. Students who checked out devices will need to have them returned Monday from 9a-3p and Tuesday from 10a-5p. Each device must go through a sterilizing process before they can be returned to the classroom. When returning the device, please have the charging cord and the device charged so it can be checked and reconnected to the CCPS technology system.
4. Students are still required to wear a mask. If they are in need of a mask for the day, a disposable one will be provided.
5. Report cards will go out Friday, January 15th. This is a change from the original date to allow students the opportunity to make up missing assignments.

If you have questions, please let me know. MLK is excited to welcome students back WEDNESDAY for in person classes!

Carrie Caples, MLK Principal
