## NURSE NOTES

This is a friendly reminder that with us returning to school, please remind your children not to share jackets, hats, hair accessories, etc. Head lice can be a common problem among students and we want to prevent the spread of head lice as much as possible. A good practice would be to check your child's head periodically for lice or nits. If you have any questions on what to look for or how to treat your child's hair, please contact the school nurse at **887-7330**.

Thanks!
