

Algebra 1C  
2013-2014 Syllabus

Teacher: Greg Parrett

E-mail: [greg.parrett@jackson.kyschools.us](mailto:greg.parrett@jackson.kyschools.us)

#### Units To Be Covered

- 1) Number Sense & Graphing Points & Lines
- 2) Solving Multi-Step Equations & Inequalities
- 3) Systems of Equations
- 4) Factoring & Graphing Quadratic Functions
- 5) Exponential Functions
- 6) Statistics
- 7) Applications of Algebra

#### Course Description

This half-year course will focus on the basic principles of Algebra. Various teaching strategies will be used to ensure each student has an opportunity to learn through his/her learning style.

#### Homework

Homework will be required during this course for completion of work, additional practice, preparation for exams, etc.....

#### Grading

- 1) Flashbacks – usually consisting of 4 questions at the beginning of class that has previously been discussed or covered by the instructor. These questions will be worth 5 points each and will result in a test grade at the end of each week.
- 2) Summative Assessment will be 60% & Other 40% of each 9 weeks grade.
- 3) The course grade will be determined – each 9 weeks grade 40% & FINAL EXAM 20%.
