

## EARTH / SPACE SCIENCE

### 2013-2014 Syllabus

Teacher: Greg Parrett

E-mail: [greg.parrett@jackson.kyschools.us](mailto:greg.parrett@jackson.kyschools.us)

#### Units To Be Covered

Scientific Method/ Graphing/ Measurement

- 1) Earth Systems
- 2) Geological Cycles
- 3) Hydrology
- 4) Climate/ Weather
- 5) Sustainability/ Human Activity
- 6) Sun, Earth, & Moon
- 7) Space Science

#### Course Description

This year-round course will focus on the basic principles of Earth-Space Science. Various teaching strategies will be used to ensure each student has an opportunity to learn through his/her learning style.

#### Text

The textbook, **EARTH SCIENCE** by Glencoe will be used in this course. Each student will have access to a book and may check it out at anytime, he/she will be responsible for returning it in adequate condition.

#### Homework

Homework will be required during this course for completion of work, additional practice, preparation for exams, etc.....

#### Grading

- 1) Flashbacks – usually consisting of 4 questions at the beginning of class that has previously been discussed or covered by instructor. These questions will be worth 5 points each and will result in a test grade at the end of each week.
- 2) Summative Assessment will be 60% and Other 40% of each 9 weeks grades.
- 3) The course grade will be determined – each 9 weeks grade 20% and the FINAL EXAM 20%.
