

What's Your Bag?!?

For this book report you will choose a story from your Reading Street text book. Select a character from your book and fill a paper bag with items that help to describe the character. You may use the actual items or draw pictures of your items to put in your bag. Your bag must have:

- *the character's name printed on the outside
- *an illustration of the character
- *at least three items on the inside

(Example: A notepad would be appropriate if your character was Lily from "Night Letters".)

After you have chosen your items, write a paragraph that explains how the items you have chosen help to describe the character. Your paragraph must include:

- *the title of the book
- *the author
- *your character's name
- *the items in your bag
- *reasons why you chose those particular items
(how the items help to describe the character)

Your Name _____

Due Date _____
