About the Fund:

Mary Carr was passionate about Catholic Schools. She believed that **academic excellence, taught in the moral environment of our faith, builds leaders** that the world very much needs. Our family saw an opportunity that, with the right funding and exposure, the Arts program at Hackett could be a draw for those students who may not have previously considered a Catholic high school education.

In addition to the generous donations already given, pledged seed money will grant one \$500 scholarship per year to an incoming Freshman who has shown a passion for the arts and for their Catholic faith. When fully implemented, there will be four recipients of the scholarship enrolled at Hackett. Selection will be based on an essay on why the Arts and their Catholic faith are important to them and will be evaluated by a panel consisting of School Administration and a representative for the Carr family who knew Mary and can speak for her passions. Any additional funds over the principle required to perpetuate the scholarship will be used to improve all Arts programs at the school.

Contributions can be designated to the **Mary K. Carr Fund** and sent directly to Hackett Catholic Prep. All amounts are welcome and will be used to help achieve Mary's vision of a sustainable Catholic High School presence in Kalamazoo for years to come.
