TEAMS – Run and/or Walk

Get your family, co-workers or friends and form a team of up to 6 individuals. You need to identify your team captain who can setup your team via the online registration. [CLICK HERE](#)

Teams save money as they pay \$20.00 per person (until March 14th) then the cost goes to \$25.00 per person. Each person can register online and pay their own fee.

Team Captains can set up their teams and provide a password to team members to register – that is not required. Team members will need team name to complete their registration.

Questions about teams should be directed to shamrockrun@hackettcp.org

Come Run/Walk with us!!
