

# Parking Permits

Attention all students and parents! We are currently updating our database, and we would appreciate information concerning vehicle registration.

- If you have registered your vehicle in prior years but now are driving a different vehicle, please fill out the information below and check the box requesting a new sticker at no additional cost.
- If you have not previously registered your vehicle, please fill out the information below and return it with payment to the main office. Your new sticker or stickers will be sent home with the students.

It is important that every vehicle in our lot is registered so that the administration has the ability to identify vehicles (lights on, illegally parked, etc.). Failure to complete this form and return it to the office may result in parking privileges being suspended or fines being assessed.

**Please return this form to school.**
