We invite you to be involved with the Annual Shamrock Auction and Celebration of Hackett’s 50th!

We are pleased to announce that plans for the 2015 Shamrock are under way. As you may know, The Shamrock Auction is an essential part of Hackett Catholic Prep’s annual fundraising activities and will be held this year on Saturday, March 7th. In addition to silent and live auctions, the event includes dinner and dancing to live music. This year the auction will also be a special celebration of the 50th Anniversary of our school. Please save the date and plan to attend this exciting event.

The success of this fundraiser depends largely on the generosity of individuals and businesses in our community making donations to the silent and live auctions. Please take some time to consider if you, your family or friends are able to help by donating items for our Silent or Live Auctions!

Past donations have included:

- Hand crafted furniture
- Week/weekend stays at vacation properties
- Tickets to sporting/concert events
- Dinner parties and barbeques
- Fine jewelry
- Signed sports jerseys
- A variety of services

Please consider making a donation to the Shamrock Auction 2015 and being a part of this important fundraiser. Nothing is too big or too small. Note that Hackett Catholic Prep has 501(c)3 status. If you have items to donate or a connection to share, please contact Sarah Harding at sharding@csgk.org or 269-217-8289.

If you have any questions about the auction or would like to join the event committee please contact co-chairs Jane and Steve Clark at ud89jtc@chartermi.net or Katie Gilbert in the Advancement Office at kgilbert@csgk.org or 203-260-5599.

Thank You!
Hackett’s Respect Life Group will be participating in their eighteenth trip to Washington D.C. for the annual March and Rally for Life in January in support of life and to pray for an end to abortion. Merry Christmas and Happy New Year
We are rapidly approaching the time of year when deadlines are due for the submission of college applications. It is essential seniors observe the application timelines.

It is important to be aware of the following guidelines when completing your college applications:

- Allow at least two weeks for processing the college applications through the Guidance Office. You should be cognizant of the college’s deadlines and remember as the holidays rapidly approach, mailing will take longer. Ask for letters of recommendation well in advance! Be sure to include a “resume” of your activities, to assist with the development of the recommendation. This information should include: leadership positions you have held, volunteer work you have performed, any significant accomplishments you have had, awards you have received, sports you have been involved in, etc. To ensure processing & mailing before Christmas break, all applications must be turned in by Friday, December 6th. (If your college application deadline is between January 1st and January 15 we must receive your application by December 5th as well.)

- The Guidance Office will be closed during Christmas break.

- FAFSA (Financial Aid Forms) help call 1-800-4-FED-AID or go to their website at www.fafsa.gov. FAFSA information should be submitted before January 1 and March 1, 2015.

The ACT and SAT websites are: www.act.org www.collegeboard.com.

We strongly recommend you take the writing portion of the ACT. You cannot just take the writing portion of the test alone. Most college admissions offices require that your ACT/ SAT score results be sent directly to them from the testing agency. Remember to order your test scores!

Internet

Applying online to a college is quite common. Some schools will waive the registration fee if you apply online. Even when students apply online, the Guidance Office needs a printed copy of your online application before you submit/send it; print the Counselor recommendation section and give it to Mrs. Byrne, in the Guidance Office. We will then send your official transcript, paper letters of recommendation, etc. all in one mailing. We keep a copy of all information Hackett has sent to your colleges.

Tips for College

- Personal visits are the best method to see if you would like the college or university of your choice.

- Each college has its strengths. If you know what area you would like to study, look for the school which has the area of expertise you are seeking. We have several books in the library/media center and the Guidance Office to assist you.

- Take the ACT with writing or SAT with writing twice. The second test score generally shows improvement.

- Never pay for a financial aid search. Your College Financial Aid Office Representatives are available to talk with you about financial aid. Contact them to ask your questions!

Cheerleading: Combined team with Kalamazoo Christian. This was a great experience for the girls. Our coach was even asked if any of the KC girls could cheer with us for basketball.

Boys’ Cross Country: 4th in KVA, 4th in Regional, two runners (Josh Carpenter, Palmer Cleaver advanced to the State Finals)

Swimming: The team finished their season with the State Final in Holland. They placed 28th overall.

Football: In our first year of a cooperative effort with Kalamazoo Christian, we placed third in the KVA, won 6 games and qualified for the MHSAA playoffs. Between the two schools and the two teams, there were 63 student-athletes playing football.

Volleyball: Moving up from 8th place last year, we placed third in the KVA. We won a district championship for the first time in recent memory and we will play in the regional at Bloomingdale.

Tennis: Conference championship in the combined BCS-KVA conference. Third place in the regional tournament, and we placed fifth in the state championship meet. Henry Hedeman won his second state title, this time at # 2 singles. Noah Katt placed second in the state in #4 singles.

Soccer: We captured the regular season KVA championship, and the tournament championship. We won the district championship, and advanced to the regional championship game. We were ranked in the top 4 in the state all year. Our seniors finished their careers having never lost in the conference or at the district level in their careers.

Girls’ Cross Country: The girls dominated the conference for the last two years. They placed the top four individuals at the regional championship and won that event. The Irish ladies placed second in the MHSAA Finals. Mary and Lucy Ankenbauer both placed in the top 10 in the state.

Girls’ Golf: The girls spent the entire season ranked number 1 in the state in their division. They won the regional championship by 10 strokes and dominated the field at the state finals. The Lady Irish captured the first girls’ golf state championship in school history.
The 2014-15 CSGK Annual Fund

The 2014-15 CSGK Annual Fund mailing will arrive in your mailbox very soon. We ask you to partner with our faculty and staff and with us in the mission of our schools—to provide an education that develops our students in mind, body and spirit and enables them to succeed now and in the future.

Why the Annual Fund?

Tuition alone does not entirely cover the cost of educating a student in our schools. In fact, total tuition covers approximately 65% of the cost with an additional 29% covered by our 8 partner parishes. The Annual Fund, then, provides the critical dollars that fill the gap and also allows our schools to maintain tuition rates that are as affordable as possible for our CSGK families.

Our largest and most important fundraising effort, the Annual Fund is made up of thousands of individual gifts—each and every one of them needed and appreciated! These gifts come from our teachers, parents, grandparents, alumni, parents of alumni, parishioners and friends who join together to sustain the exceptional education of the CSGK.

Your gift—of any size—to the Annual Fund will make a difference by allowing CSGK to:

• Deliver strong educational programming to our students
• Support the ongoing professional development of our faculty
• Underwrite the cost of activities essential to the fulfilment of our mission
• Improve our buildings and facilities
• Provide tools and technology necessary for the advancement of 21st century learning

Thank you for considering an endorsement of our mission and an investment in our schools through the 2014-2015 Annual Fund. We are grateful for your support.

Hackett Catholic Prep Senior Portraits - Yearbook Specs (Late photos)

Any senior photos that have not yet been turned in are now LATE and therefore will be subject to a $5 late fee. If we do not receive your portrait by December 31st, we will use your school photo.

1) What should I do first about pictures and how soon should I do it?
   Call a photographer immediately and get a sitting time scheduled if you have not yet done so. The whole portrait-taking process sometimes takes MONTHS through our local photographers.

2) What are the yearbook picture specifications?

   | Size:  | 2” x 3” COLOR photo (NO Black & White, Sepia, etc.) |
   | Finish: | Glossy or matte print or digital file at 300 dpi is preferred |
   | Pose:   | Head-and-shoulder shot looking at the camera |
   |         | (very similar to passport photo requirements) |
   | Background: | Traditional, neutral (blue, gray, brown), & solid background only |
   | Other:  | Absolutely no hands to face in pose, no fade or reflection effects, no extreme close ups, no "nature" shots |

Correct!

No!
Wrong background.
Too far away.

No!
Absolutely no hands to face.
Too close.

No!
Wrong pose.
Wrong background.
Wrong orientation.

3) What is the due date for senior pictures?

All senior, sibling, or baby photos must be turned in by December 19th, 2014. NO photos will be accepted after this date (unless submitted by December 31st VIA EMAIL).
4) What is the purpose of these specifications?

The yearbook is a student publication that reaches a large audience: our student body, our community, and beyond. That, along with set production costs, requires us to mandate uniform standards for all pictures. In order to assure uniformity we follow standard journalistic guidelines.

While the traditional head-and-shoulders shot outlined above is required for the yearbook, we naturally encourage you to exercise your creativity for your personal senior portraits and encourage you to purchase creative space in the Parent/Senior Advertisement section.

5) What if I can’t afford the sitting fee or the picture packages?

Hackett Catholic Prep will have professional photographers take your picture on the student picture and make-up days. If we do not receive a personal senior picture before the deadline, you may still submit it, but you will be subject to a $5 fee. Additionally, no portraits will be accepted after December 31st. If we do not receive your portrait by December 31st, we will use your portrait from student picture/make-up day. If you decide you would prefer us to use your school photo, please email Mrs. Mileski to let her know.

6) What if I decide to take my own picture with my own camera?

Any self-taken portraits must follow the guidelines above and be submitted digitally. Please be aware, however, that we reserve the right to refuse any pictures that do not look professional or appropriate for the yearbook. Our yearbook photographers will also be happy to take several senior picture poses for you using our high quality photography equipment.

7) Should I have my senior pictures taken if I know I am not going to actually graduate this year?

That is up to you. However, anyone who does not have enough credits at the beginning of 2nd semester will be omitted from the senior section of the yearbook.

8) What will happen if I do not turn in a senior picture at all?

We will use your school portrait/ID picture from the last year we have. Therefore, if you have not had your senior picture taken by September 30th, make sure that your school portrait/ID picture looks nice case we have to use it in the senior section!

9) When & where do I turn my senior picture in?

Turn them in with your $5 late fee to Mrs. Mileski, the yearbook adviser, in room 81 or in the main office at any time until December 19th. You can email digital files to hackettyearbook@hackettcp.org any time before December 31st. You must still turn in the $5 late fee, however. Digital submission on CD, flash drive or via email is preferred by the yearbook staff.

Instructions for Salute Submission

• Select the salute size you wish to purchase; then, using the sample layouts, choose the design number within that size that you would like used for your student’s salute in the yearbook.

Photos:
• Each salute contains a number of photos; supply enough pictures to fill the photo blocks in the salute you chose. If you include extra pictures, our staff will decide which one(s) to exclude without notifying you.
• Decide which picture you want in which photo block in the design. A vertical photo block requires “up and down” images and horizontal photo blocks require “left to right” images.
• Using a pencil, write softly on the back of the picture the photo block number in which you want the picture to appear. If you do not number the photos, our staff will place the photos attractively.
• DO NOT send original copies of any photo you value; we cannot guarantee its return. Instead, submit a photo quality copy of any picture you cannot replace. We do not recommend computer generated ink jet photo images on plain white paper and cannot be held responsible for the quality of the reproduction if you submit a photo in this manner. Instead go to Walgreen’s, CVS, or the like and make a photo quality copy of the picture.
• We cannot use photos which have been cut, glued or taped to paper.
• Please DO NOT submit collages. They do not reproduce well and we cannot be responsible for the image quality problems that may arise.

Text:
• The words you want to include in your salute are called “copy.” Please write (print) your copy legibly on the salute order form, or you may type or print it on a separate sheet and attach it to the order form.
• We will choose a font/typeface for the copy when we design your ad. We will correct grammar, punctuation and spelling errors unless otherwise instructed.
• Take into account the size of your ad when writing your message to your student. A large quantity of text in any ad will end up being set in small type which may not be easy to read.
