

OWOSSO PUBLIC SCHOOLS

*Ready for the World*

**GOOD NEWS AT BRYANT ELEMENTARY**  
September 24-October 5

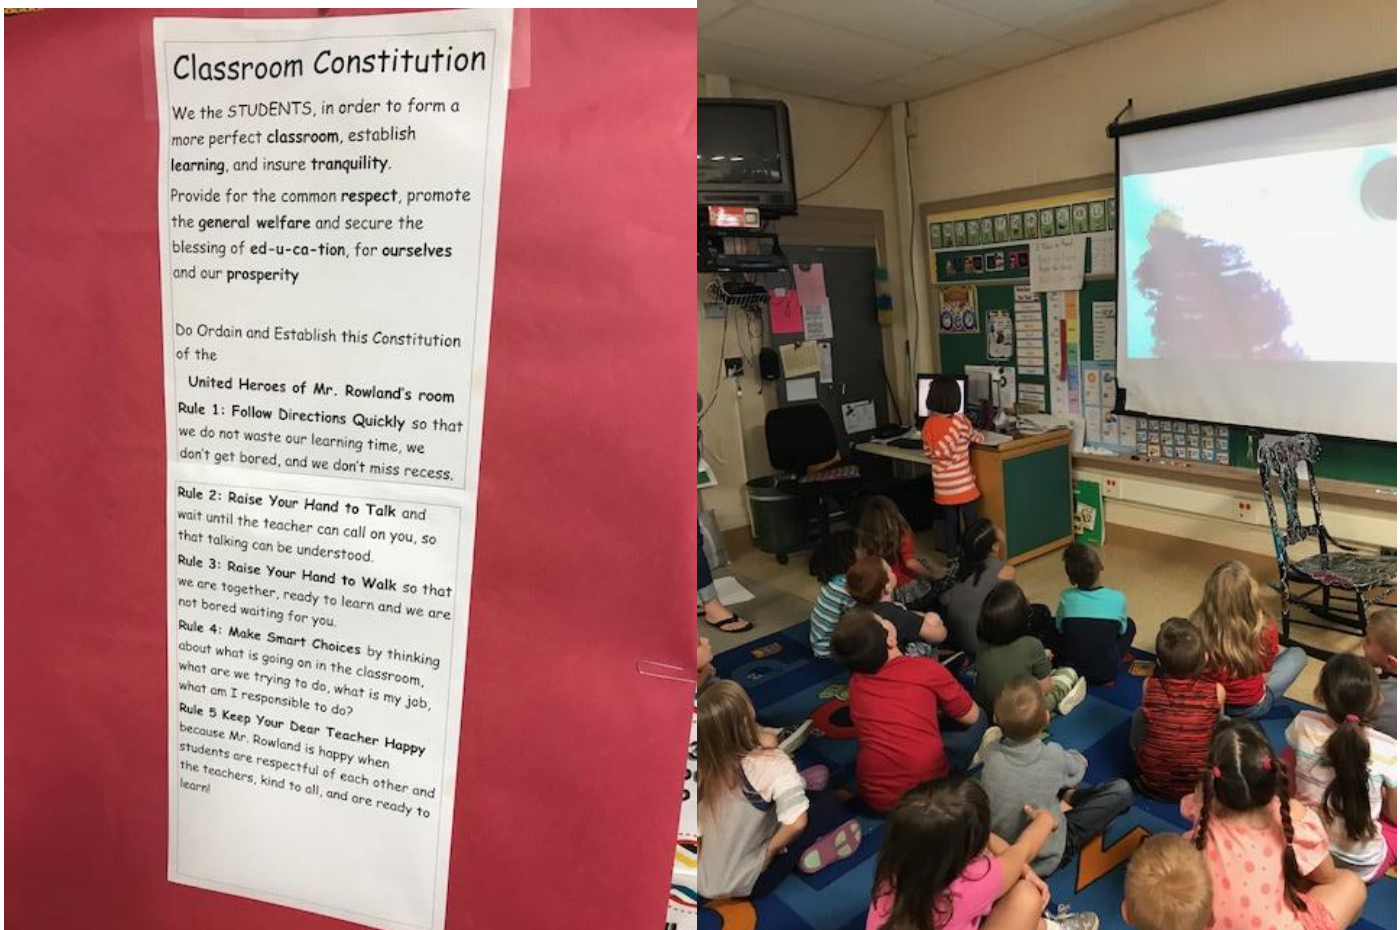

We used the scientific method today in our experiment with cans rolling down a ramp. We identified the variable and hypothesized what would happen when the variable changed. (Ferguson, Powell, MacKay)

We made candy mazes for a jelly Bean with Gummy Worms and Life Savers. There were lots of problem solving going on. (Crego)

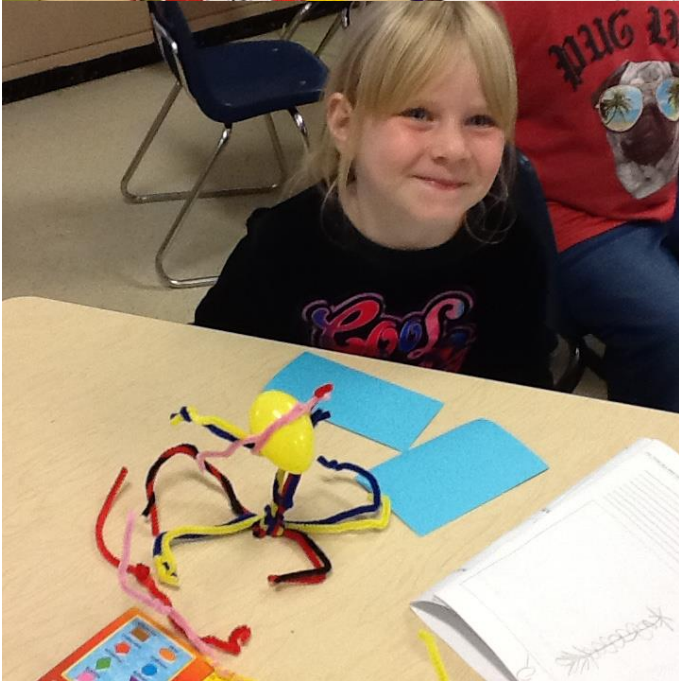

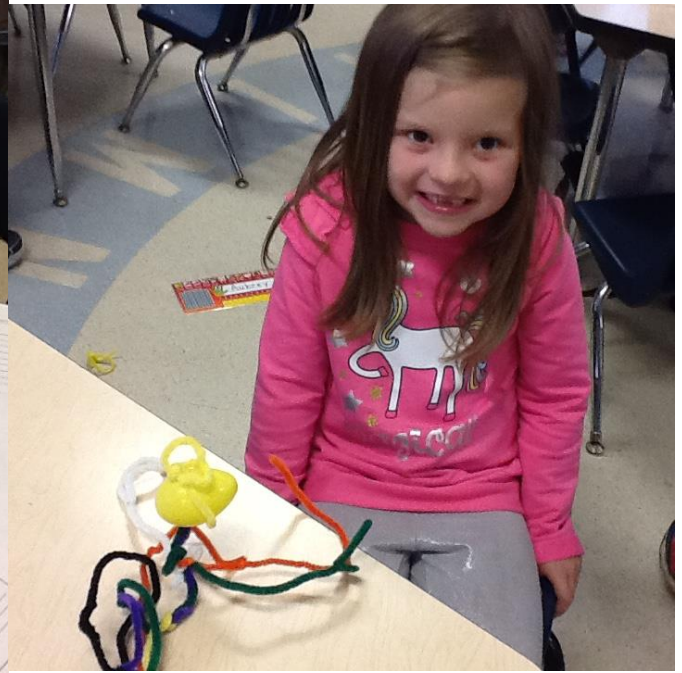

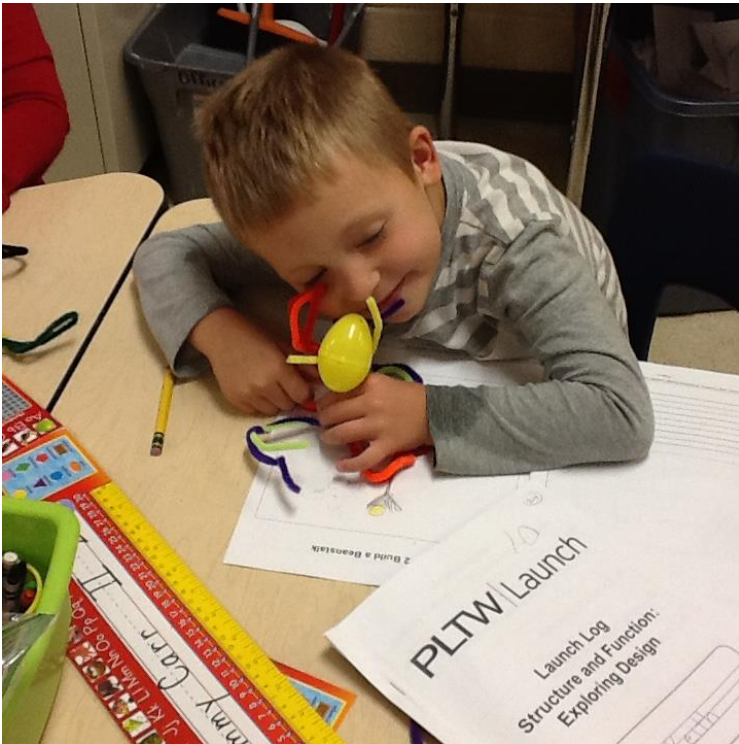

Mindful Minute (McKeon)

## Mr. Rowland's 1<sup>st</sup> Grade

On Constitution Day we watched *School House Rock: The Preamble* and read *We the People* by David Catrow. We had been working on how our 5 Classroom Rules help organize our classroom so we can learn. I rewrote the preamble to be about our classrooms, and typed up the 5 Rules and what the class said about how they help us learn. Today we used a Quill and an Ink Well, and signed our Constitution!

We started our Project Lead the Way and as a part of Unit 1 we read Jack and the Beanstalk. We built our own beanstalks (focusing on structure) the had the function of holding a golden egg (Nevadomski).
