ACES is an innovative before school program that provides intentional, project-based curriculum, field trips and learning experiences that bring together sports, math, and social emotional learning for students. The program is free for students in grades 4-8.

To enroll your student in ACES, please fill out a form when you register your child at Eastside Boys and Girls Club and return it to the front desk. Feel free to email Janyesha Jackson at [Janyeshajackson@aces4kids.org](mailto:Janyeshajackson@aces4kids.org) for more information or for an electronic enrollment form.
