

Minnesota School WWI Centennial Project

On this 100th anniversary of Armistice Day (Veteran's Day) November 11, 2018, our goal is to bring history alive, across the state, for students at the local level.

- Student researches a family member or local community member that is a WWI veteran
- 500-750 word essay
- Last paragraph to summarize what student learned
- Essays to be judged at local high school level
- First, Second, Third place winning research essay (Prizes to be determined locally)
- Students will read winning essays at their community Veteran's Day event in November.
- All contests will remain local; there will be no regional or statewide contests.
