

Cooper County R-IV School District
Homeschool

The Cooper County R-IV School District strives to support homeschooled students and parents. We will graciously share curricular resources and support for your homeschool students if you request them. To obtain these shared resources, we ask that you provide us with the following information, so that we may better assist you, as you endeavor to meet the academic needs of your homeschooled student. Any information provided is completely voluntary, confidential, and requested for the express purpose of assisting parents and students in meeting state standards and becoming college and career ready upon graduation.
