The Optimist Club of Jefferson City

During Optimist International's 100th Anniversary year, the Optimist Club of Jefferson City is encouraging area students, under the age of 19 as of October 1, 2018, to participate in this year's **ESSAY**: This year's essay subject is *"When All the World's Problems are Solved, is Optimism Still Necessary?"* Each participant will be required to complete an application and submit it along with the essay. The essay must contain at least 700 words but no more than 800 words (every word in the essay is counted-but does not include the Title, bibliography or foot notes; and hyphenated words count as one word). The **deadline for submission of ESSAY contest will be January 25, 2019**, and contest application, essay, and copy of birth-certificate/passport should be mailed to Optimist Club, P.O. Interested students should prepare their own speech on this year's topic, *"Is There a Fine Line Between Optimism and Reality?"* The contestants may receive advice in the preparation of the speech and may make minor changes or improvements in the speech at any time. The official contest rules are found on the application itself. The speech should be at least 4 minutes 6570

All contestants at each level of competition must furnish a copy of their birth-certificate or passport to validate age, with their entry application before competing. The **deadline for submitting oratorical applications to the Club will be February 15, 2019**, and the Club level contests will be held March 4, 2019 with backup date March 18, 2019. If contestant would like mentoring please indicate that on your application. Return your application, a written copy of the speech and copy of birth certificate/passport to the Optimist Club, P.O.
