

Elementary Student Council

Elementary Student Council consists of 5 elected officers and K-5 classroom representatives. The officers were elected by the student body. The classroom representatives were teacher or classroom elected to represent their classroom/grade level to share the voice of their peers.

The student council as a whole meets during the school day to discuss ideas and plan for upcoming events. Most recently, the Student Council members sold *Love Bugs* and delivered them to classrooms at the Valentine's Day party. Student Council has also sponsored and helped organize the 4-5 grade dance and pretzel & water sales. All money raised has a specific purpose...to be given back to the students!

Jessie Bean is the head of Student Council in the Elementary. The teacher sponsors are:
