All ACTC classes are elective classes. However, some classes do count for academic credit. Successful completion of the course sequence of Health Sciences I and II, Polymer Science I and II, or Ag and Natural Resources I and II meets requirements for 2 units of science credit (other than Biology I). Successful completion of Health Sciences I meets requirements for ½ unit of Comprehensive Health or Family and Individual Health credit. Successful completion of Business Fundamentals meets requirements for ½ unit Economics or Personal Finance credit. Career Pathway Experience (CPE) students must be classified as an 11th or 12th grader. Health Sciences and Teacher Academy Programs require an application process. Applications are available in the counselor's office. **In August, parents must provide 2 proofs of residency to complete registration.** See back side of this form for the ONLY acceptable proofs.
