TITLE I PARENT INVOLVEMENT POLICY

In the fall, an annual meeting will be held to share with parents a description of the Title I program and its requirements.

- Amite County High School will provide a flexible number of meetings to allow for parent involvement. These monthly meetings will be scheduled by the school in a variety of language groups. Topics covered during the meetings will include:
 - Improving communication between the school and home.
 - Discussing current student assessment data and student progress.
 - Providing information about school and district resources for student academic improvement.
 - Evaluating the effectiveness of the school's parent involvement policy to increase parent participation in Title I activities.
 - Conferencing with teachers.
 - Providing training programs to help parents support and work with their children at home and at school.
 - Advocating for teachers and parents.
 - Valuing cultural diversity.
- Parental input from the parent meetings and training sessions will be shared with the School Advisory Council to provide an organized, ongoing, timely way of involving parents in the planning, review, and improvement of the program.
- The schoolwide parent newsletter is sent home informing parent/community of all meetings of interest. For special meetings, targeted language groups receive notice in their language. The parent center is used to advertise parent meetings and training sessions offered at Amite County High School, at the District Central Office, and throughout the district. Every attempt is made to communicate with parents in their primary language.
- During parent meetings, opportunities will be offered for the formulation of parental suggestions. Responses to their suggestions will be reviewed in a timely fashion, if possible, by the next scheduled meeting. Topics that are appropriate for School Advisory Council review/action will be placed on the agenda for the next regularly scheduled meeting by the school administration.
- Parents are notified annually of individual student assessment results by the Central Office. An explanation of the information is available in several languages.
