Parents, you can now view your child's grades, attendance, and discipline online. However, in order for you to have access to the site, we need to establish a User Name and Password for you. The password and user name must consist of at least six characters and will be set as identified on the registration form. Therefore, we are asking that you keep a copy of this information for your records. However, if you need additional information you may contact Mrs. Cook at 601-437-4232. You can also e-mail the form to [rcook@claiborne.k12.ms.us](mailto:rcook@claiborne.k12.ms.us).

The registration form is on the back of this communication for you to complete and return to your child's school. You only need one User Name and one Password which will give you access to all of the schools that your child/children are enrolled. Please list all of your children on one form. You do not have to send a form back to each school.

When logging in, please do not use www. Simply type: [ms1100.activeparent.net](http://ms1100.activeparent.net). You will also be able to access the website from our Home Page ([www.claiborne.k12.ms.us](http://www.claiborne.k12.ms.us)).
