Hairy

• Hairy means to be covered with hair or not bald.

• The hairy dog shed his hair everywhere he went.

• Turn and Talk: Would you prefer to have a pet that is hairy or one that is not? How might having a hairy pet be different than having a pet that is not?
Mammals are animals that give birth to live babies and have hair or fur.

A dog is a mammal.

Turn and Talk: What are some other animals that are mammals?
A litter is a group of baby animals born at the same time.

The litter of puppies all have the same birthday.

Turn and Talk: Why does this litter of puppies all look the same?
**STAYED**

- *Stayed* means to remain in one place. It also means to live with or visit.

- The dog **stayed** at the door when its owner told him to.

- Turn and Talk: What would you do if you **stayed** in a castle?
**CANNED**

- **Canned** means something that is stored in a can.

- My dog will only eat **canned** dog food.

- Turn and Talk: Do you think foods that are **canned** taste just as good as fresh food?
CHEWs

• **Chews** means to rip and crush with your teeth.

• The dog **chews** the pillow quickly and forcefully.

• Turn and Talk: How might you train a dog to behave if it **chews** on your things?
Clipped

- Clipped means attached with a clip.

- The leash was clipped to the dog’s collar.

- Turn and Talk: Do you have anything clipped to your backpack?
COAT

• A coat is a covering of fur.

• My dog has a very shiny coat.

• Turn and Talk: Why might an animal that lives in a snowy place have a white coat? Why might they need a coat?
