

## **Accumulating AICE Credits Over Multiple Exam Series**

A learner can accumulate results to be used towards the Cambridge AICE Diploma over five exam series to earn the required seven credits as long as they are taken within a 25-month period. For example, a candidate entering for the Cambridge AICE Diploma November 2020 (eligible to wear red robe at graduation in June 2021) may only use previous AICE results gained in the November 2018, June 2019, November 2019, June 2020 & November 2020 examination series.

If a candidate has to take additional AICE exams in the June 2021 series in order to earn the required credits for an AICE diploma, the candidate will forfeit the AICE credits earned in the November 2018 series because those credits will be outside the 25 month period.
