

Want to make a lasting impact in your community? Volunteer at Homework Club!

Volunteer at Homework Club!

Homework Club is a Crosswind outreach program consisting of volunteers who help children with homework at their subsidized apartment complexes after school.

This "on location" assistance is helpful in involving the parents participation in their child's educational development.

With permission from parents, we have a 'report card check' and help children who are falling behind in school.

Volunteering or donating to Homework Club will allow Crosswind to:

- Help children maintain their level of studies
- Purchase weekly supplies and snacks
- Reward good behavior and success with parties and prizes

Crosswind will be starting Homework Club on Monday, September 14th for the children at Farmington Arms and East Lawn apartments. We are looking for volunteers Monday - Friday (3:30pm-4:30pm).

You can volunteer one day a week or everyday.

No experience needed - just a willingness to serve.

If you are interested in becoming a Homework Club Volunteer, contact Angel Quinn at angel@crosswind.ms or call 662-287-5600.
