

Dear Parents,

I wanted to let everyone know we are doing Shoeboxes for Soldiers a little different this year. Instead of filling a shoe box, we are asking that you PURCHASE items from the list below or donate shoeboxes. This will start October 1st and go until October 19th. The class that brings the most items will win an Ice Cream Party.

Our soldiers are based in foreign countries without the comforts of home. Let's help them feel closer to home, even if they are half way around the world. I know they would appreciate it.

The following are items the soldiers love getting:
