## Engineering Adventures

So you want to be an engineer or architect? Well what are you waiting for? This is your chance! Join us as we put our engineering skills to the test to build bridges, buildings, vehicles and more. We'll learn about different types of careers for you to explore. Do you like to design cities? You might become an urban architect one day! Do you want to build bridges? Then civil engineering might be the job for you! Want to design the next cool electric car? Then you may be destined to become an automotive or mechanical engineer! Come experience engineering adventures with us!
