Getting Started Athlete Guide

Common Questions

[How do I watch video on Hudl.com?](#)

[How do I update my athlete profile page?](#)

[How do I tag highlights?](#)

WATCH VIDEO

- 1 Log in to your Hudl.com account, roll your mouse over **Video** and click on **Library**. The library page is where you will watch all video that has been uploaded to the team's account.
- 2 The library is organized by season and schedule. Click the season to view all of the games for that season.
- 3 Click the game to expand the list of available video. A video playlist is listed as a **blue link**. Click the link to load the video in the video player.

COMPLETE ATHLETE PROFILE

It is important to keep your athlete profile complete and up to date. This is where fans and recruiters will come to watch your video.

TAG HIGHLIGHTS

- 1 Go to your **Library** and select the game with the clips you want to tag as highlights. You will only be able to tag highlights on playlists labeled **Game Footage**.

Clips 1-3 of 3		← Prev	Next →	
<input type="checkbox"/>	★ PLAY #	ODK	DN	DIST
<input checked="" type="checkbox"/>	★ 1	O	1	10
<input type="checkbox"/>	★ 2	O	2	4
<input type="checkbox"/>	★ 3	D	3	5

- 2 In the clips list below the video screen, click the star next to each clip that you want to tag as a highlight.
- 3 **Trim the Highlight:** Drag the left handle to mark the beginning of the action and drag the right handle to mark the end of the action. Click **Done Trimming** to add the highlight to your Athlete Profile page.
