

DIG INTO SUMMER READING

**Stomp, Chomp
Growl, and Roar!**

It's time to read

like a good Dinosaur!

Calling all Dino-kids!

Judi-asaurus is searching for Dino-kids to celebrate reading.

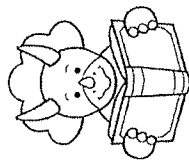

Don't miss out or you might become extinct!

The goal is for each Dino-kid to read at least
30 books over the summer break.

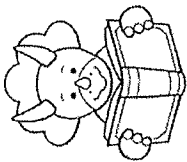

Return the reading log at the beginning of the new school year
to join our prehistoric crew for a Dino-Mite Bash.

DIG INTO SUMMER READING

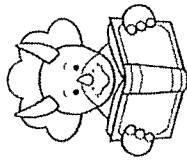

RAWR! Read at least 30 books to stomp over for a prehistoric celebration.
No bones about it... we will party like it is 190,000,099 B.C.
