

“GRAND PATRIOTS CLUB”

Grandparents Make a Difference at East Rankin Academy!

The **Grand Patriots Club** is for East Rankin grandparents and “substitute” grandparents who commit to support our school through their prayers and monetary contributions. Those who join the **Grand Patriots Club** are asked to pray for God’s continued guidance, His protection, and His blessings for their grandchildren and their school...and are extended the opportunity to give \$100 (or \$10 monthly for ten months) to help with enrichments and enhancements for their grandchildren’s education.

East Rankin is so grateful for the **support, prayers**, and nearly **\$150,000** that ERA Grand Patriots have given during the last five years, as well as the vital role that our grandparents play in the lives of their grandchildren in so many ways – **Grandparents make a difference at East Rankin Academy!**
