“Train up a child in the way he should go....” Proverbs 22:6

On behalf of the students, faculty, and staff of East Rankin Academy, I welcome you to our school. It is our sincere desire that God would direct your family to a school that enriches your walk and blesses others by your presence. Please let us know if we can be of any assistance as you prayerfully consider our school as your school home.

For over forty-eight years East Rankin Academy has been an independent school dedicated to a mission of education in a Christian environment. Our mission is embraced by our staff and students as our guide to behavior, witness, and accomplishments. You will find that our mission guides us in all areas from curriculum directives to our everyday activities.

Our mission is to train each child spiritually, academically, physically, and socially with the help of a college-preparatory curriculum, extracurricular activities, and the united efforts of parents and teachers under the leadership of God's Holy Word.

We acknowledge that our mission is lofty and we oftentimes, fall short. However, it is what we strive for and we extend a heartfelt welcome to all families that share our goal of training our children “in the nurture and admonition of the Lord.” (Eph. 6:4)

May God bless you as you search for the school for your family. We appreciate your interest in East Rankin Academy.

Sincerely,
Dan R. Boyce
