

Math Choice Board

Directions: Choose an activity to complete each week.

| | | |
|--|---|--|
| <p>Problem Solvers Write multiplication word problems. Have someone to solve them.</p> | <p>Array Hunt Go on an array hunt in your home. Draw each array, tell where you found it, and write a multiplication number sentence to match it.</p> | <p>How old are you? There are 365 days in a year and 24 hours in a day. Use a calculator and what you know about multiplication to find out how many hours old you are. Now, find out how many hours old your parents, siblings, and other relatives are.</p> |
| <p>Geometry City Create a city using only lines, line segments, and polygons. Label all of the roads and buildings.</p> | <p>Shape Search Make a list of 10 shapes. Look around your house and see how many times you can find each shape. Write the places you find the shapes.</p> | <p>Flag Design Look at some example of flags. Use at least 6 different shapes to create a design for a flag for your school.</p> |
| <p>Problem Solving Write division word problems. Have someone to solve them.</p> | <p>Recipe Fun Write your own recipe for ice cream sundaes. Give step-by-step instructions. Be sure to include the amount of ingredients.</p> | <p>Ordered Pairs Use graph paper to plot ordered pairs of your choice. Ex: (5,2)</p> |
