PRINCIPAL'S CORNER

Dear Carver Families,

Our teachers are working diligently to meet the unique learning needs of all of our students. Given that we are now at midyear, it is critical that you understand exactly how your child is performing at mastering grade level expectations. We hope that the third nine weeks will bring even greater growth in our students and progress in reaching our goal on the district assessments. If you should have questions regarding the progress of your child, please be sure to contact his/her teacher.

As I have stated before, the success of our school is in our relationship with all of you. Let's continue to work together and be great. Together we can and together we will.

With Carver Pride,
Principal Hawkins

McKinney-Vento Act

The McKinney-Vento Act is a federal law that ensures the right of students to go to school even when they are homeless or don't have a permanent address.

If you know of a child that may fall under this act and is not enrolled in school, please contact Counselor L. Johnson at ljohnson@sunflower.k12.ms.us.

- Gentry High

Librarian’s Corner

Did you know???? Since 1976, the month of February has been designated Black History Month, or National African American History Month, and is a time to recognize, celebrate, and honor the rich and diverse history of African Americans. Parents are invited to join the library in celebrating and learning about the generations of African Americans who have influenced and enriched the nation and society.

We are proud to celebrate Black History Month here at Carver Elementary School.

Vision: Working together to provide students with the skills necessary to become productive citizens in the 21st century.

Mission: Carver Elementary will establish a community of learners through relationships, relevance, and rigor one student at a time.
