

The Carver Review

May 2018

In Focus

Thelma Green, Principal

Daisey Hawkins & Terrell Hayes, Assistant Principals

Our Vision: To become a Model District that recruits and retains highly qualified staff who graduate students who are collage, career and community ready.

All Students

The Principal's Message

Dear Parents,

Hello Carver Family,

This is it! The count down for the end of the school year, as of Monday, April 30th, there are 20 student days remaining. We have experienced many ups and downs but we have grown, evidence can be seen in your child, physical growth, emotional growth and academic growth. We are five days away from the State's requirement to demonstrate growth through our performance on the MAAP exam. Testing at Carver will begin May 7th and will continue through May 18th. All students will be tested in Math and English Language Arts. The 5th graders will have an additional test in Science. It is imperative that all students test so, attendance is very important. Please do not schedule any appointments during the school day during the testing period. Testing will be taking place all day, in the morning and in the afternoon so early dismissal cannot occur at this time. Also, please have your children at school on time.

The month of May is also filled with many events to celebrate. The week of April 30th was "spirit week" and the District sponsored an "ice cream party" on May 4th. Additionally the 6th grade "Spring Formal" is May 18th and 3rd, 4th and 5th grade awards is May 21st. May Day is May 23rd, 6th grade graduation is May 24th and the last day of school for students is May 25th. We are both excited and anxious for this busy month. Thank you to all students, parents, guardians, teachers and staff for making this a great school year at Carver.

23rd – May Day – 9:00 A.M. and 1:00 P.M.

24th – 6th Grade Graduation 9:00 A.M.

25th – Students Last Day

Counseling Corner

Word of the Month is ZEST!

Zest, sometimes referred to as vitality, is an approach to life filled with excitement and energy.

It also refers to one's active participation as they show enthusiasm!

People with ZEST approach new situations with interest and energy!

Have a great day!

Mrs. N. Anderson, School Counselor

*"But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk, and not faint."
KJV - Isaiah 40:31*

From the Parent Center

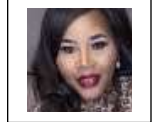

Thank you for letting me work as your Parent Liaison.

It has been a pleasure!

Have a wonderful, happy, safe summer break!

Linda Rule, Parent Liaison

Library Corner

Library News You Can Use!!

Carver's librarian recently collaborated with the Indianola Seymour Library to have faculty and staff receive Magnolia training. The session was conducted by Mrs. Mary Ann Griffin, Executive Director of the Indianola Seymour Library.

Based upon the library student's interest survey at the beginning of school, the librarian has ordered books and magazines for the upcoming school term.

We encourage students to continue to check-out books to read. Reading is fundamental for success!

We are opened daily from 7:30 a.m. to 4:00 p.m.

Valerie Fairley/Librarian

Mckinney Vento Act

Provide activities for, and services to, homeless children, including preschool-aged homeless children, and youths that enable such children and youths to enroll in, attend, and succeed in school, or, if appropriate, in preschool programs. www.nationalhomeless.org
