COUNSELOR'S BLOCK:

Hello, my name is Lamisha Johnson. I am elated to serve as the new counselor at Carver Elementary School. I am new to Carver, but I am no stranger to education or the Sunflower County Consolidated School District. I began my teaching career in this district in 2008 as a teacher.

I have taught Government & Economics and ACT Prep at Gentry High School and Mississippi Studies, World Geography, and ICT II at Cassie Pennington Junior High and Robert L. Merritt Jr. High Schools.

I am a proud graduate of Gentry High School. I received a bachelor's of science degree in social science education and a master's in school counseling at Delta State University. I completed my counseling intern under the supervision of Ms. Sherby Hale at Robert L. Merritt Jr. High School.

I am very passionate about helping children reach their fullest potential. I firmly believe that all children can learn if we provide them with the necessary support and resources. I look forward to working with Carver's scholars to help them succeed in all aspects.
