## Principal's Message

Greetings Mighty Eagles,

We are only weeks away from the start of the fourth nine weeks. We are working extremely hard to ensure that all students show the necessary growth for us to be successful. We will get that C or better this year, but it will take all of us working together to do it. Therefore, we need your continued support in our efforts to become the best school that Drew Hunter can be.

Please ensure that your children are present (AND ON TIME) daily, adhere to the rules and regulations of the school, complete homework (and other) assignments, and stay encouraged. Join us in telling them that WE CAN SUCCEED, and WE ARE ALL IN THIS TOGETHER!

Thank you for you all that you do for Drew Hunter Middle. We could not exist without you.

Mr. Young

### ***School Vision:***

“At Drew Hunter Middle, we will ensure that ALL students are provided a learning experience that ensure them to flourish”.

Parents are the piece that make us grow. First benchmark score was 299 (D). Second benchmark score was 315 (D). Each benchmark score is getting better. Drew Hunter Middle is on the road to a “C” or better.

Growth Party 2<sup>nd</sup> Nine Weeks Benchmark was a Blast!!! The theme was **Here's the SCOPE..We are Growing!!** Each students that showed growth on the 2<sup>nd</sup> Nine Weeks Benchmark was invited to the growth party. Students had the opportunity to build their sundae anyway they wanted. Parents were also invited to eat ice cream with their child or children. Drew Hunter Middle School is on the right path to a C or better.

### *Did You Know.....*

- In 1926, **Carter Godwin Woodson** established Negro History Week, which later became **Black History Month**. The month of February was chosen in honor of Fredrick Douglass and Abraham Lincoln, who were both born in that month.
- Before becoming a professional baseball player, **Jackie Robinson** played football for the Honolulu Bears.
- Black History Month honors the contributions of African Americans to U.S. history. Did you know that **Madam C.J. Walker** was America's **first woman** to become a self-made millionaire, or that **George Washington Carver** was able to derive nearly 300 products from the peanut?

**RESPONSIBILITY:** *doing what you are expected to do.*    **BEING DEPENDABLE:** *keeping our Promises.*

**ACCOUNTABLE:** *Worthy of one's trust.*

Students and teachers are the future hope of any country.

The country's development and progress depends upon students and teachers. Students and teachers are the backbone of a nation.

There are many responsibilities of a good student and a good teacher. The major one is that the student and teacher should take a special interest in his/her studies and duties respectively. Also, a good student and teacher should engage in additional activities such as: social activities, honor clubs and organizations and sports. Lastly, students and teachers should engage in activities to help fellow students and teachers, such as boy scouts, girl scouts and other community clubs and organizations.

A good student and a good teacher should also make efforts to develop a sense of responsibility in their fellow students and teachers.

Also, a good student and a good teacher should be loyal and obedient to their counter-part because "obedience is the key to the door of success." And a good student and a good teacher must know the true meaning of trust, self-esteem, obedience and confidence.

Therefore, as counselors, we will continue in our efforts to encourage the development of responsibility in our schools.

Ms. Bora Benford
