Principal Message

Greetings Mighty Eagles,

Can you believe we are counting the days until the school year is over? This school year has flown by, and it has been an awesome one. We have been working extremely hard this year, and we are seeing the fruits of our labor. According to our Benchmark data, we are projected to be a "C" school which is a vast improvement from where we were at the beginning of the school year. Thanks for your continued support because it really does take a village to raise a child. Continue to assist us in our endeavors as we become a successful school.

As I have stated in each newsletter, please ensure that your children are present (AND ON TIME) daily, adhere to the rules and regulations of the school, complete homework (and other) assignments, and stay encouraged. Join us in telling them that WE CAN SUCCEED, and WE ARE ALL IN THIS TOGETHER!

Thank you for you all that you do for Drew Hunter Middle. We could not exist without you.

Mr. Young

1st Annual Academic Brain Bowl 2k18 Middle Schools

Thursday, April 19, 2018, our students competed in SCCSD's 1st Annual Brain Bowl against other middle schools in the district. It was absolutely amazing to witness a packed gym for an academic competition. Parents, teachers, other students, and community members filled the gym to the point of standing room only. After going in overtime TWICE, our students, THE ELITE EAGLES, fell short by one question to Ruleville Middle School. However, we are so proud of our students' teamwork and perseverance, and in our eyes, they are still winners.
